18+ Years Experience | Cost Optimization | Cybersecurity | Disaster Recovery

EXECUTIVE PROFILE

Strategic IT Leader with 18+ years of progressive experience designing, building, and governing enterprise IT ecosystems for manufacturing organizations. Delivered **₹20+ Lakhs annual IT cost savings** through open-source enterprise architecture, in-house ERP development, and elimination of vendor dependency.

Operate at the intersection of technology strategy, operational efficiency, and business transformation — turning IT into a revenue and growth enabler.

STRATEGIC IMPACT & KEY ACHIEVEMENTS

- **Reduced ₹20+ Lakhs Annual IT Operational Cost**
- **Built Fully Company-Owned ERP (Zero License / Zero AMC)**
- **Eliminated Server, Network & Surveillance AMC**
- **Designed Multi-Layer Cybersecurity & Disaster Recovery Architecture**
- Established Long-Term IT Sustainability Roadmap
- Improved Infrastructure Stability, Uptime & Data Governance
- Transformed IT into strategic business enabler for manufacturing operations

PROFESSIONAL EXPERIENCE

IT Infrastructure Lead / Enterprise Architect

Lake Chemicals Pvt Ltd | June 2016 – Present

- Architected and governed enterprise IT infrastructure: Windows/Linux servers, virtualization, firewall security, backup & disaster recovery.
- Designed and deployed fully customized ERP platform covering purchase, finance, HR, compliance & executive dashboards.
- Implemented open-source enterprise stack (Proxmox, Postfix, Dovecot, Duplicati, Nextcloud, OnlyOffice, Superset) eliminating license costs.
- Designed ransomware-resistant network segmentation & version-based backup strategy.
- Managed full IT operations including hardware lifecycle, CCTV, intercom & enterprise connectivity.
- Acted as strategic advisor to management on IT investment planning and cost control strategies.

Senior System Engineer – Sri Tech, Bengaluru | Apr 2015 – May 2016

Server deployment, enterprise infrastructure setup, and technical support leadership.

Senior Systems Engineer – Hi Tech Computers, Bengaluru | Aug 2014 – Apr 2015

Managed infrastructure installation, OS configuration, and network deployment.

Senior Service Engineer – Hosur IT Support | Oct 2011 – Aug 2014

Delivered enterprise IT support including servers, networks, and system administration.

System Service Engineer – GKV Computers & Solutions Pvt Ltd | Oct 2009 – Sep 2011

Infrastructure deployment, OS configuration, and enterprise technical support.

Junior System Service Engineer – Acer Service Support | JAN 2008 - Sep 2009

Computer Hardware Assemble, OS configuration, and enterprise technical support.

Junior System Service Engineer – Tech Service | Jul 2007 - Sep 2007

OS configuration and basic software installation.

ENTERPRISE TECHNOLOGY EXPERTISE

Infrastructure: Windows Server, Linux, Active Directory, Virtualization Architecture

Open-Source Stack: Proxmox, Postfix, Dovecot, Duplicati, Nextcloud, OnlyOffice, Apache Superset

Cybersecurity: Firewall Governance, Network Segmentation, Ransomware Protection, Disaster Recovery Planning

ERP & Automation: In-House ERP Development, Workflow Automation, Regulatory Systems

BUSINESS TRANSFORMATION OUTCOMES

- Converted organization from vendor-dependent IT model to fully owned infrastructure ecosystem.
- Delivered centralized, secure, and scalable IT environment.
- Enabled long-term operational cost reduction and audit readiness.
- Built sustainable IT architecture supporting 10–20 year growth roadmap.
